Ensuring Continuity Of 911 Communications

AVAILABILITY OF BACKUP POWER SOURCES

CUSTOMER FORM

I, _____ (Member),

acknowledge that La Jicarita Rural Telephone Cooperative has made me Aware that voice service will be unavailable during a power outage without backup power, and that this backup power will be required at the subscriber premises - such as to maintain continuity of access to 911. The Battery Backup Unit should always remain plugged in to a power source.

La Jicarita Rural Telephone Cooperative; shall offer at least one option with a minimum of eight hours of standby backup power (not talk time).

Customer Proprietary Network Information (CPNI)

In order to comply with the FCC rules governing the use and protection of customer proprietary network information (CPNI) we are required to authenticate any person accessing account information. For your security, there are only two ways for you to access your account information.

- 1) By visiting the office and requesting the information in person at the LJRTC/NNMT office. A valid form of identification or password may be required in order to confirm that information is being released to an authorized party.
- 2) By calling the LJRTC/NNMT office and requesting the information. Account Information will not be released over the phone without a valid password. A password can be set up by either completing this form or visiting our office.

Please complete the following information:

Customer Name _____

Billing Account or Telephone Number _____

Your New Password (4-8 letters/numbers) _____

In the event you forget your password we can provide you with a back-up question that we can use to help identify you. Please answer ONE of the following questions. **PLEASE ONLY CHOOSE ONE.**

What was the color of your first car? _____

What is the name of your pet? _____

What community did you grow up in? _____

What is your favorite food? _____

Only persons listed on your account will be able to receive or change information related to your account unless specific authorization is given to allow others access to the information. If you would like to authorize anyone that is not currently on the account to access the account information, then please list up to **four (4) authorized persons in line below.** It is your responsibility to make sure they have the password you provided in order to access/change account information.

Please check one of the following:

_____ I give my consent for LJRTC/NNMT to use CPNI to tailor its service offerings.

_____ I do not consent to LJRTC/NNMT to using CPNI data except where required by law.

Should you choose, in the future, to orally instruct us to remove your freeze, the Federal Communications Commission requires that we confirm your identity before we remove your freeze. Please provide a password on the Customer Proprietary Network Information (CPNI) form.

TELEPHONE LINE RIGHT-OF-WAY EASEMENT

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned:

Applicant's Name: _____

Address: _____

Landlord's Name: _____

Address: _____

for a good and valuable consideration, the receipt whereof is hereby acknowledged, do hereby grant unto LA JICARITA RURAL TELEPHONE COOPERATIVE, (hereinafter called "the Cooperative"), whose address is P.O. Box 269, Mora, New Mexico 87732, and to its successors or assigns, an easement and the right to enter upon the lands of the undersigned, situated in the County of Mora, State of New Mexico, and being more particularly described as follows:

A track of land approximately _____ acres in area, and being in Township _____

Range _____ Section _____ or as otherwise described see attached:

To construct, reconstruct, operate and maintain on or under the above described lands and/or in, upon, or under all streets, roads or highways abutting said lands, a telephone line or system, to cut and trim trees and shrubbery that may interfere with or threaten to endanger the operation and maintenance of said line or system and to license, permit or otherwise agree to the joint use of occupancy of said line or system by any other persons, firm or corporation for telephone or electrification purposes.

The undersigned agree(s) that all poles, wire and other facilities, including all telephone equipment, installed on the above-described premises at the Cooperative's expense, shall remain the property of the Cooperative, removable at the option of the cooperative.

The undersigned agree that Rights-of -Way and Easements, within the subdivision or property, satisfactory to the Cooperative, must be furnished by the applicant in reasonable time to meet construction and service requirements before the Cooperative shall be required to commence its installation. Such rights-of-way and easements must be cleared of trees, tree stumps and other obstructions and graded to within six inches of final grade, by applicant at no charge to the Cooperative. Such clearance and grading must be maintained by the applicant during construction by the Cooperative.

SPECIAL CONSTRUCTION

7.3 Installations of Telephone Lines Within Subdivision or Private Property

*7.3.2.2 Rights-of-way and easements, within the subdivision or property, satisfactory to the Cooperative, must be furnished by the applicant in reasonable time to meet construction and service requirements before the Cooperative shall be required to commence its installation. Such rights-of-way and easements must be cleared of trees, tree stumps, and other obstructions and graded to within six inches of final grade, by applicant, at no charge to the Cooperative. **Such clearance and grading must be maintained by the applicant during construction by the Cooperative.***

Furthermore, the undersigned jointly and severally agree to indemnify and save harmless La Jicarita Rural Telephone Cooperative from any claim, liability, or damage arising from the construction of installing and/or repairs of telephone lines within the private property of the applicant. [Stick drawing, as demonstrated below, shall indicate the right-of-way by the applicant].
